

Dear parent/carers,

Strathmore Secondary College is looking forward to another great year of teaching and learning and would like to advise you of Strathmore Secondary College's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. This support has allowed us to provide a comprehensive challenging academic curriculum as well as providing additional activities and services for all students.

We want to thank you for your financial support. This makes a huge difference to our school and all our students.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Susanne Prosenica  
*School Principal*

## Financial Support for Families

Strathmore Secondary College (SSC) understands that some families may experience financial difficulty and offers a range of support options, including:

### **Second-hand books, electronic texts and uniforms**

In order to support families in meeting the costs of their children's education the college has second-hand school uniform items for sale at reduced prices. Families need to approach the General Office for assistance. The publishers of electronic texts offer a number of free subscriptions which are offered to families on recommendation of Student Wellbeing or Student Coordinators.

### **Camps, Sports and Excursions Fund (CSEF)**

The Camps, Sports and Excursions Fund (CSEF) provides payments for eligible students to attend essential school activities - camps, school trips and sporting activities.

Families holding a valid means-tested concession card or temporary foster parents are eligible to apply. An application form can be accessed via SSC general office or via the [CSEF link](#) on the DET website. \$225 per year is paid for eligible secondary school students. Payments go directly to the school and are tied to the student.

### **State Schools' Relief assistance**

Families who are struggling to meet the cost of school uniforms, shoes, books and expensive items, may be able to receive these for free or at a discount through State Schools Relief. Families need to talk to the Student Wellbeing Coordinator to arrange assistance.

### **Student Assistance Fund**

SSC has set up a fund from donations from St Aidan's Anglican Church, the community, sale of second-hand uniform items and residual CSEF monies. Parents are also invited to contribute. This fund is to help families who are experiencing financial difficulty in paying for essential educational items or camps. Please contact The Finance Office or Student Wellbeing for more information.

Families with general enquiries regarding fees, or who wish to have a confidential discussion regarding fees, should contact the Wellbeing Coordinator or email [Strathmore.sc@education.vic.gov.au](mailto:Strathmore.sc@education.vic.gov.au)

## Payment arrangements

Parents and guardians will be provided with early notice of payment requests for SSC voluntary financial contributions (e.g. a minimum of six weeks' notice prior to the end of the previous school year).

Contributions can be made through Compass or directly to the Finance Office. Payment requests are kept to a minimum with payment requests and letters being fair and reasonable. Invoices/statements for unpaid Extra Curricular items accepted by parents can be generated and distributed according to parent payment arrangements, **but no more than monthly.**

Alternative payment options are available through the school and families are encouraged to contact SSC Finance Office to discuss circumstances and available options.

Payments may be requested but not required prior to the commencement of the year in which the materials and services are to be used.

Receipts will be issued to parents immediately upon making payment.

All records of payments or contributions and any outstanding payments by parents and guardians are kept confidential.

For a confidential discussion about accessing these services, or if you would like to discuss alternative payment arrangements, contact Alison Mckenzie

## ONE PAGE OVERVIEW

### FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

### PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

#### Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

#### Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

#### Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

### FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

### SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
