

Parents and Carers Information Night

How to Support your Child using Mathspace

Mathspace is hosting a webinar for parents and carers to show how this online tool can help support your child learning mathematics.

This session will cover

- how to find tasks and complete work assigned by your child's teacher,
- go behind the scenes of the new student dashboard
- demonstrate how the new skills map will allow your child to take ownership of their learning
- explore how recommended tasks can be used to target prior skills needed to excel at class work, and
- explore how adaptive tasks reward student effort and encourage a growth mindset

When: 4th May, 7pm (AEST)

Where: Zoom
